

2011-2012 Initial Proposal

From the Marysville Unified Teachers Association to the Marysville Joint Unified School District

For the 2011-2012 school year the association proposes to open the following articles:

The association proposes to bargain the change in working conditions for nurses as it relates to the RIF of 2009-2010.

Article IV – Leaves and Absences

The association proposes opening this article to increase the number of discretionary leave days.

Article VIII – Hours of Employment

The association proposes defining professional duties and to provide a means to compensate labor provided outside the 7.5 hour workday or during prep periods.

Article XIII – Class Size

The association proposes opening this article for the purpose of limiting class size in SDC/RSP classes.

Article XV – Salary, Article XIV – Health and Welfare Benefits

The association proposes an increase to the salary schedule and benefits cap based on increased revenues available to the district.

Article XXXIV – Shared Assignments

The association wishes to modify this article to allow for greater flexibility concerning shared assignments.
